Scientific Nutritional Analysis Summary

For Buffalo Groves 100% Grassfed Bison Meat (Buffalo Meat)

All Cuts of Buffalo Meat are shown with the Average Total (for all meat cuts)
 Values from both tests are combined, then divided in two, for the Overall Average

Data is relevant only for 100% Grassfed (without any grain or supplemental feed of any kind)

You can also view PDF's of separate Meat Labels for <ul style="list-style-type: none"> ▪ Buffalo Meat ▪ Buffalo Steaks ▪ Buffalo Roasts Labels show the values for each Meat Type		Average Total All Meat Aug-04	Average Total All Meat Feb-05	Total All Meat Both Tests	Average Total All Meat Both Tests	Overall Average Total All Meat Value Rounded	US FDA Recommended Daily Allowance
